Get started

- 1 Apply through the government National Verifier at **AffordableConnectivity.gov** or call **877.384.2575**.
- 2 If approved by the National Verifier, complete the AT&T PREPAID ACP enrollment form at:
 - New to AT&T PREPAID: **attprepaidacp.com**
 - Already with AT&T PREPAID: **att.com/myprepaid**
- 3 We'll confirm your enrollment with a call or text within 48 hours.

IMPORTANT: To get ACP, you must first apply with the federal government through the National Verifier. **AT&T does not determine eligibility.** However, if you are already approved for Lifeline, simply complete the ACP enrollment form at **att.com/prepaidrelief** to enroll.

NO ANNUAL CONTRACT | NO CREDIT CHECK

*ACP benefit is up to \$75/mo. on qualifying Tribal Lands.

***The Affordable Connectivity Program** is a federal government benefit program, operated by the Federal Communications Commission. The benefit is not transferable to other consumers. Only eligible consumers may enroll in the program. Only one benefit is allowed per household and the benefit may only be applied to one service, regardless of service provider. If the program ends, you transfer your benefit to another service provider, or you are no longer eligible for the program, regular AT&T PREPAID plan rates will apply. **AT&T reserves the right to remove the monthly benefit at any time. If your monthly service charge is \$0 after the benefit, you must use your service every 30 days, or the benefit will be removed.** **Eligible Consumers:** To determine your eligibility, you must apply with the federal government National Verifier at **AffordableConnectivity.gov**. To qualify, you must show, with documentation as needed, that your household income is at or below 200% of Federal Poverty Guidelines for a household of that size; or that at least one member of the household participates in a qualifying federal assistance program (Medicaid, Supplemental Nutrition Assistance Program, Supplemental Security Income, Federal Public Housing Assistance, The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), or Veterans and Survivors Pension Benefit); or receives benefits under a certain federal free and reduced price lunch program or school breakfast program, or is enrolled in a school or school district that participates in the Community Eligibility Provision ("CEP"); or received a Federal Pell Grant in the current award year; or, if on Tribal Lands, participates in certain tribal-specific federal assistance programs. Details at **AffordableConnectivity.gov**.

†After high-speed data allowance is used, data speeds are reduced to a max of 128 Kbps. *Compatible device/service required. Download of ActiveArmor app required. Fraud blocking may inadvertently block wanted calls; setting can be adjusted in app. Some mobile security features are not available while roaming internationally. Details at **att.com/activearmor**. †Includes unlimited talk and text within and between the U.S., Mexico and Canada, and use of your plan data in Mexico or Canada. International data roaming may be reduced to 2G speeds. Coverage not available everywhere. ***Video Streaming:** Eligible content recognized as video will stream at Standard Definition (max 1.5 Mbps). May not recognize all video content and video download speeds may be affected. Video speed is capped at 1.5 Mbps regardless of the network the device is on (for example 4G LTE). Streaming/video resolution vary, are affected by other factors and restrictions apply. For plans that include Stream Saver, you can turn it off any time at **att.com/myprepaid** for access to HD video if and when available. Details at **att.com/stream saver**.

AT&T PREPAID service is subject to the AT&T Consumer Service Agreement located in your AT&T PREPAID device packaging or **att.com/ConsumerServiceAgreement**. Monthly plans good for 30 days from the day you purchase and end at 11:59 p.m. CT on the 30th day. 12-month plans good for 360 days from the day you purchase and end at 11:59 p.m. CT on the 360th day. Plan renew every 30 days for 12 renewal periods. Taxes and fees extra. **Eligible device required for all plans as specified in this brochure and the Plan Terms. Unless permitted by plans, a plan designed for one type of device may not be used with another type of device. AT&T reserves the right in its sole discretion to suspend or terminate your AT&T PREPAID service or account, remove any element of the plan from being used on a non-designated device or place an appropriate plan on any non-complying device if you: a) Use any AT&T PREPAID service excessively, abusively or fraudulently, b) Resell or rebill the Services, or c) Use a plan with a non-designated device or without all of the required elements of the plan.** You must add money to your account within 26 days of activation or your account will be canceled. Active service requires account payment in full for monthly plans. Amounts deposited into your account expire in accordance with the refill denomination expiration period. Unused account balance is forfeited upon expiration. If you are on a monthly plan, the applicable monthly plan charge for each renewal period will automatically be deducted from your account balance at the beginning of the day (midnight Central Time) on your monthly plan renewal date. **Applicable plan charge for any AT&T PREPAID plan is not refundable and not exchangeable, and any unused services of your plan are forfeited if you change to another plan during your plan period.** If account balance is insufficient to pay the applicable plan charge, you will not be able to use your AT&T PREPAID services until you refill your AT&T PREPAID account with the applicable amount or your plan is renewed. Failure to do so may result in cancellation of your account. A new wireless phone number will be required to reactivate service once account is canceled. Account balance limit is \$900. In many jurisdictions, certain recurring fees or taxes will be debited from your account balance as allowed by law. Other taxes, surcharges and fees, including E911 fees, apply in addition to refill denominations. **Rollover Data:** Capped-data phone plans only. Unused high-speed data from your monthly plan allowance rounds up to the nearest megabyte (MB) and carries over for one 30-day renewal when your plan renews on time. Unused Rollover Data automatically expires after one renewal period, or with any plan change (such as changing data amounts, cancellation, or balance expiration). Rollover Data is used after your monthly high-speed plan allowance or any Data Add-On. **Monthly Add-Ons:** Good for 30 days from the day you purchase. You must have an active plan in order to purchase or renew an Add-On. Some Add-Ons may only be added to certain monthly plans. When you add a Data Add-On to a monthly plan that includes data allotment, the use of data will be counted first against your Data Add-On. If a monthly plan includes a data allotment, the unused portion of the data allotment in your plan will remain available for use until the last day of your plan term provided you deplete your Data Add-On. Availability of services, time period during which services are available, allotment of services and eligible devices vary by plan. Plans, charges, fees, options and terms are subject to change at any time. Restrictions, limitations and conditions apply to all AT&T PREPAID Plans and Add-Ons. For complete terms, go to **att.com/ConsumerServiceAgreement**.
