INTERNAL NEWSLETTER FOR INTERNATIONAL STUDENTS AT THE UNIVERSITY OF TAMPA

International Education Week

We're looking forward to International Education Week (IEW) 2023, November 13-17! IEW is an opportunity to celebrate the benefits of international education and exchange worldwide. This joint initiative of the US Department of State and the US Department of Education is part of their efforts to promote programs that prepare Americans for a global environment and attract future leaders from abroad to study, learn, and exchange experiences.

Many schools, colleges and universities, embassies, international organizations, businesses, associations, and community organizations will be organizing events, and UTampa will have their own. Hope to see you there!

the tip of this month

Sometimes it is confusing when you try to get your **Most Recent I-94** and the record shows a previous entry, not the last one. You may think it is a mistake, because when pulling your travel history, it shows that your last entry was recorded.

Try this instead:

1. Change the passport number for your SEVIS number.
2. Try entering your full name as it appears in your passport
3. Try omitting one of your first names or last names, all combinations as possible.

If after all this, you still can't get the most recent record. Contact your International Student Advisor for instructions on what else to do.

IPO and UT's International Student Association are organizing a Thanksgiving Lunch for all international students that plan to stay on campus during Thanksgiving week. If you are interested in joining us to learn about this American holiday and its traditions, be on the lookout for the RSVP on Involve UT and the ISA's WhatsApp chat.

International Student Advisors are available without appointment during **walk-in hours**, from **Monday through Friday**, from **10:30 AM until 12 PM**, for advising sessions of **no more than 15 minutes**. Our office is located on the **3rd floor of Plant Hall** at room **300**, at the end of the hall.
